

**SCHOOL CLOSED / SNOW DAY / SEVERE WEATHER**  
**CANELLATION POLICY**

1. On days where kids don't have school but staff, or more directly, custodial staff is working, we have practice and games.
  
2. When there is a school snow day - practices and games are cancelled.
  
3. If the school does not have a snow day but we have concerns about the evening during the week, or more commonly, Saturday morning, we can cancel practices and games. We post on the website, e-mail all coaches, send mass e-mail to parents and contact **WHMI radio**.
