## The Boys of Fall

Everyone has a job in football. As a player at this level, it is to **learn** how to play the best game of your life every time you go out on that field, as a coach it is to **teach and inspire** a player to **want** to play the best game of his life every time they go out on the field and lastly as a parent, it is to **support and beam with pride** every time any player hits the gridiron at every level of their football career. For the next 12 weeks...Football Is Life...enjoy it. GO EAGLES!

Whether you are a new parent to football, a veteran parent, even a past football player yourself...visit this link <http://espn.go.com/espn/page2/index?id=5433788> for a little inspiration as our season gets underway!

**HELMET REPAIRS** PLEASE DO NOT inflate the helmets yourself! Coaches have the proper tools to do this! Coaches need to be the only ones to add air to our new helmets. Using the wrong needles will puncture the interior bladder and your helmet will not fit properly not to mention have to be sent out for repair (and we *don't* have extra's). If you need a helmet fitting see your head coach ASAP!

## 8/21 & 22 SCRIMMAGE

### Eagle Duty

Hayaa Football is a place where players get to experience Team Work and Camaraderie! It is also a place where parents get to experience the same thing in Eagle Duty. Eagle Duty is best described as working hand-in-hand with other parents from your team to provide a friendly and positive football game experience. There are many facets to a football game and although cheering on your team and your players are the biggest part of it, providing game-goers with a smile as they pay to enter the Little Big House, purchase spirit wear to show their Eagle Pride or fill up on those delicious walking taco's, hot dogs or a steamy cup of coffee & hot chocolate on a balmy fall afternoon are all equally as important. Our Home Town football program is a success because of the positive and caring families that take pride in our community and our program. We appreciate your efforts to continue this fine tradition of welcoming football fans into the Little Big House! In the coming weeks, your Team Coordinators will have a sign up sheet so you can fill in the Eagle Duty positions that best suit your schedule. Each family must perform the minimum required hours for each player. Parents of football and cheerleaders will also have to do their time for each program. We suggest you speak to your team coordinators of both football & cheer to make sure you do not have a schedule conflict on game day. Thanks for your support. **Working Together Works! Go Eagles!!!**
