

HAYAA FOOTBALL NEWS FOR WEEK 3 (8/16/10)

Hayaa Football In Action-PHOTO SPOT

Post photo's of your player's team! Visit <http://hayaafotball.shutterfly.com> or use the link on the Hayaa Football Home page and get to snapping!

It's HOT! With temperatures climbing and practices becoming more and more intense, we want to remind you it is vital that your athlete drink lots of water, all day even prior to coming to practice. Also make sure your player has fresh water at each and every practice as coaches will have *frequent* water breaks on *very hot days* and regular water breaks at each practice even when the weather isn't so great. Staying hydrated is vital for top performance and health during the entire season.

WOW!!!

WOW!!! We once again demonstrated, **THAT WE ARE ALL EAGLES**, four colors united for one **Team**. Something to be proud of for sure!

I really appreciate everyone chipping in to help unload and stock the water in the shed at the Little Big House. The number of volunteers coupled with the numerous trucks made this task go quickly (I arrived at the Little Big House at 6:25 as they were unloading the last bit of water!). We had to turn many eager volunteers away as it was all moved prior to the 6:30 start time!!! We are **ONE** amazing football family!

Thanks again for all your muscle power; we couldn't have done it without you!
~Sandy Ziebold (Concession Manager)

Kroger Community Rewards

In lieu of a traditional "selling" fundraiser, we are trying something NEW this year! Participation is vital! By registering your Kroger Plus Card On-line, you can choose the HAYAA Football Program as the group you would like your grocery purchases credited to. The registration period has been extended! Registering is easy....just go to Krogercommunityrewards.com. Once you are on that site, you will choose your location (Michigan) and click on "enroll". If you do not have an account on the Kroger site, you will have to do this first. This is on the RH of the screen that you get after you choose to "enroll". Follow the instructions....retrieve your email and get activated.

You then "Log-in" to your account, go into "**Community Rewards**", enter the # that is under the bar code on your Kroger Plus card. Save your changes! You then "find your organization"....our organization # is **84440**. **Select HAYAA Football**, save changes again....and you are all set!

Once you have registered....do a "[print screen](#)" of the last screen in the process that shows your name and that HAYAA Football has been selected....have your football player bring it to practice and *give it to your team coordinator*.

Hayaa Football is *hoping* to upgrade equipment next year (shoulder pads), so this *fundraising effort is vital* to keep registrations costs down. Thanks in advance for your participation! Questions? Contact Kathy Rindell at Finelydonellc@aol.com

Parking at Farms:

Hayaa Football Families, it has been reported by one of our teams that there have been students riding bikes around the loop and in the parking lot where parents are parking and checking to see if car doors are left unlocked. It was witnessed by one family that these kids were checking out the inside of the cars and then attempting to rummage through to steal things. Please remember to lock your car doors if you plan to make the walk to the practice fields. Also if you witness this activity, please help protect our community and apprehend these kids.

Jersey Troubles?

If your jersey is losing letters, please turn it in to YOUR TEAM COORIDNATOR **ASAP** for repair.

Hayaa Football Equipment: The next time you see Hayaa Football Equipment Manager Janet Slavin please take the time to THANK HER for all she does as Equipment Manager and for Hayaa Football and its players. The Hayaa Football organization is run completely on volunteer power and each and every one of these great Hartland folks give it 100% to help our program be successful, however...Janet's job is one of the most demanding, second only to our Head Commissioners position.

Many may have seen a glimpse of some of her responsibilities as well as any problems, concerns or constant meeting up with families for equipment issues she gladly deals with year in and year out. Janet does it with a great love for Hartland Football. She does it with her main concerns being the safety of our boys. She does it by going above and beyond to make sure the job is correctly as if all the players were her own.

On behalf of Hayaa Football, we would love to Thank Janet Slavin for her commitment to ensure the safety of each and every player. We hope you will give her a hug, a pat on the back or a big Thank You for all she does and for doing it with an amazingly positive attitude. THANKS JANET!
