WOW!!!

THANK YOU!!! We once again demonstrated, **THAT WE ARE ALL EAGLES**, four colors united for one **Team**. Something to be proud of for sure! I really appreciate everyone chipping in to help unload and stock the water in the shed at the Little Big House. The number of volunteers coupled with a truck provided by the Lopez Family made this task go quickly! We are **ONE** amazing football family! Thanks again for all your muscle power; we couldn't have done it without you!

And just when I thought it couldn't get any better...what a great response for the Concession Donation program/contest. Thank you for your generous support of our program and these donations will **NO DOUBT** help us to keep concession prices low for the season and to continue to support the various costs to keep our Stadium in tip top shape! We will announce the contest winners next this week, watch the Hayaa web site!
